SUMMARY

I am a Front-End Developer with solid experience in creating responsive websites using HTML, CSS, JavaScript, and React-Js. I bring a passion for developing clean and efficient user interfaces, and I thrive in collaborative team environments. In addition to my front-end expertise, I have gained foundational knowledge of React Native and Next.js, looking to leverage these skills in future projects.

EXPERIENCE

Summer Short Course Participant

PMAS Arid Agriculture

📅 06/2024 07/2024   📍 Arid University

Short course focused on front-end development

- Implemented interactive elements and dynamic functionality using JavaScript and ReactJS
